

"When it absolutely has to be right... JBS LAS are your fully qualified, compliant trust account solution!

We have the Solution for You!

I have an accounts clerk / bookkeeper, how can your services assist me?

JBS LAS can provide back-up to your current bookkeeper in busy times or during periods of leave. We can also provide assistance on an adhoc basis to allow separation of duties in instances where one person is responsible for administering the accounts.

I have anomalies in my trust account and I'm not sure what to do?

JBA LAS staff are fully competent and up to date with trust account regulations. Our staff are responsible for administering numerous legal firm trust accounts throughout Brisbane for both small and mid-sized firms. We have specialists who excel in investigating trust account imbalances; actioning unpresented trust account cheques and identifying and actioning of stagnant balances.

The QLS is coming to audit my trust account, can you help me prepare for the audit?

JBS LAS can assist in getting your trust account in order prior to a trust account audit and put processes and systems in place to ensure compliance moving forward. We do a check of your trust account to find any anomalies; reconcile the account to the cashbook and bank statement; ensure required reports are in order and readily available; identify any unpresented cheques and take action to rectify these; identify any stagnant balances and action them. We can communicate with the QLS on your behalf to discuss any anomalies and advise course of action in ensuring trust account compliance moving forward.

I need help with my payroll, can you assist?

JBS LAS administer payroll for a number of legal firms ranging from sole practitioners to mid-sized firms with payroll of up to 50 people. We use your software or ours to provide an efficient and effective payroll solution.

I am thinking of starting my own law firm but the administration is overwhelming. Where can I turn?

JBS LAS specialists have assisted many firms during their start-up process. We assist with structure; registration; compliance and insurance; sourcing premises; furniture and equipment; computer hardware/software; practice management and document management systems; logo; branding; stationery and website; bankers; accountants and other third party providers. We provide the total solution to ease the burden from you so you can concentrate on securing your client base.

My accountant is chasing me to finalise my tax return but I don't have the time to get everything together.

JBS LAS can assist in getting your financials ready to deliver to your accountant so they can finalise your tax returns. We complete all reconciliations, pay summaries and compliance reviews. We review treatment of capital items, bad debts and liabilities to assist your accountant in maximising your tax returns.

Why Choose JBS LAS for your Business?

Margaret James

Margaret's skills and experience in corporate level business management and accounts solutions spans across a variety of industries and her expertise has provided a solid platform from which to build and grow JBS to the business it is today.

With more than 18 years' experience in bookkeeing and more than 13 years' specifically in legal bookkeeping, she has used her trust audit expertise to work concurrently with the Queensland Law Society to complete numerous audits.

Margaret has successfully implemented a number of systems to streamline the efficiency of record-keeping within these firms, ensuring compliance in their trust accounts. Margaret is a down to earth character with a calm temperment combined with her strong work ethic, floes through everything she does with precision. A logical thinker, Margaret's strength lies in her ability to process information methodically and get things done in a systematic manner for her clients.
